Air program has covered these in the past if OPA has no one available.

Upcoming Issues/Interests

June 20	Airport Lead (Pb) in Aviation Gas study - Stephanie Doolan / Larry Gonzalez – subject matter expert (NOTE – lots of interest in Wichita and State of Kansas on this issue)
Week of June 24	Energy Star requirements for residential refrigerators and freezers (send media to headquarters – Latisha Thomas)
June 12	Final SO2 Designations for Monitored Violations – Muscatine and Council Bluffs in Iowa; possibly Springfield, Mo. – Larry Gonzales/Amy Algoe-Eakin
June 13	SPEECH: Janet McCabe at Ozone Transport Commission (OTC) Annual Meeting - <i>Kris</i>
June 17	RFS Invasive Species Announcement - EPA has determined that renewable fuel made from napier grass and giant reed meet GHG reduction requirements for cellulosic biofuel. No Region 7 OPA action necessary.
June 21 – 25	Health and Safety Training/Community Involvement presentation - <i>Ben</i>
Wk of June 24	EPA is awarding state and tribal radon grants. – Bob Dye
June 24/2 p.m.	IDNR Muscatine PM2.5 Control Plan (GPC) Public Hearing; Comment period closes June 25, 2013; IDNR must submit the plan to EPA in July. NOTE - A separate public hearing will be held at 1:00 p.m., also at the Muscatine City Hall Council Chambers, to receive oral and written comments on changes to air construction permits for Muscatine Power and Water. - Amy Algo-Eakin/Amy Bhesania http://www.iowadnr.gov/Portals/idnr/uploads/air/insidednr/stakeholder/muscatine%20sipcallpm25_publiccomment.pdf
July	Discussions with KDHE regarding movement of Konza Prairie Monitor – Josh Tapp/Gina Grier
First of July	FY13 DERA State grants – Greg Crable – need to localize with grants awarded to the states and agencies. Three states (Kansas, Iowa and Missouri) with existing grants are being supplemented and the project periods extended and Nebraska will receive a new grant because they did not participate last year. The National DERA grant RFP for agencies closes June 25 and grants won't be awarded until the end of August. Still fuzzy areas because of sequestration and budget issues.
June/July	Santee Sioux TAS for 4 Elements– Kim Olson
July 15	The Iowa Department of Natural Resources (DNR) is requesting public comment on the State of Iowa's infrastructure state implementation plans (SIP) for particulate matter (PM2.5) and sulfur dioxide (SO2). Public meeting and

comment deadline – 7/15/13 – Amy Algo-Eakin/Amy Bhesania
